

Installation Instructions

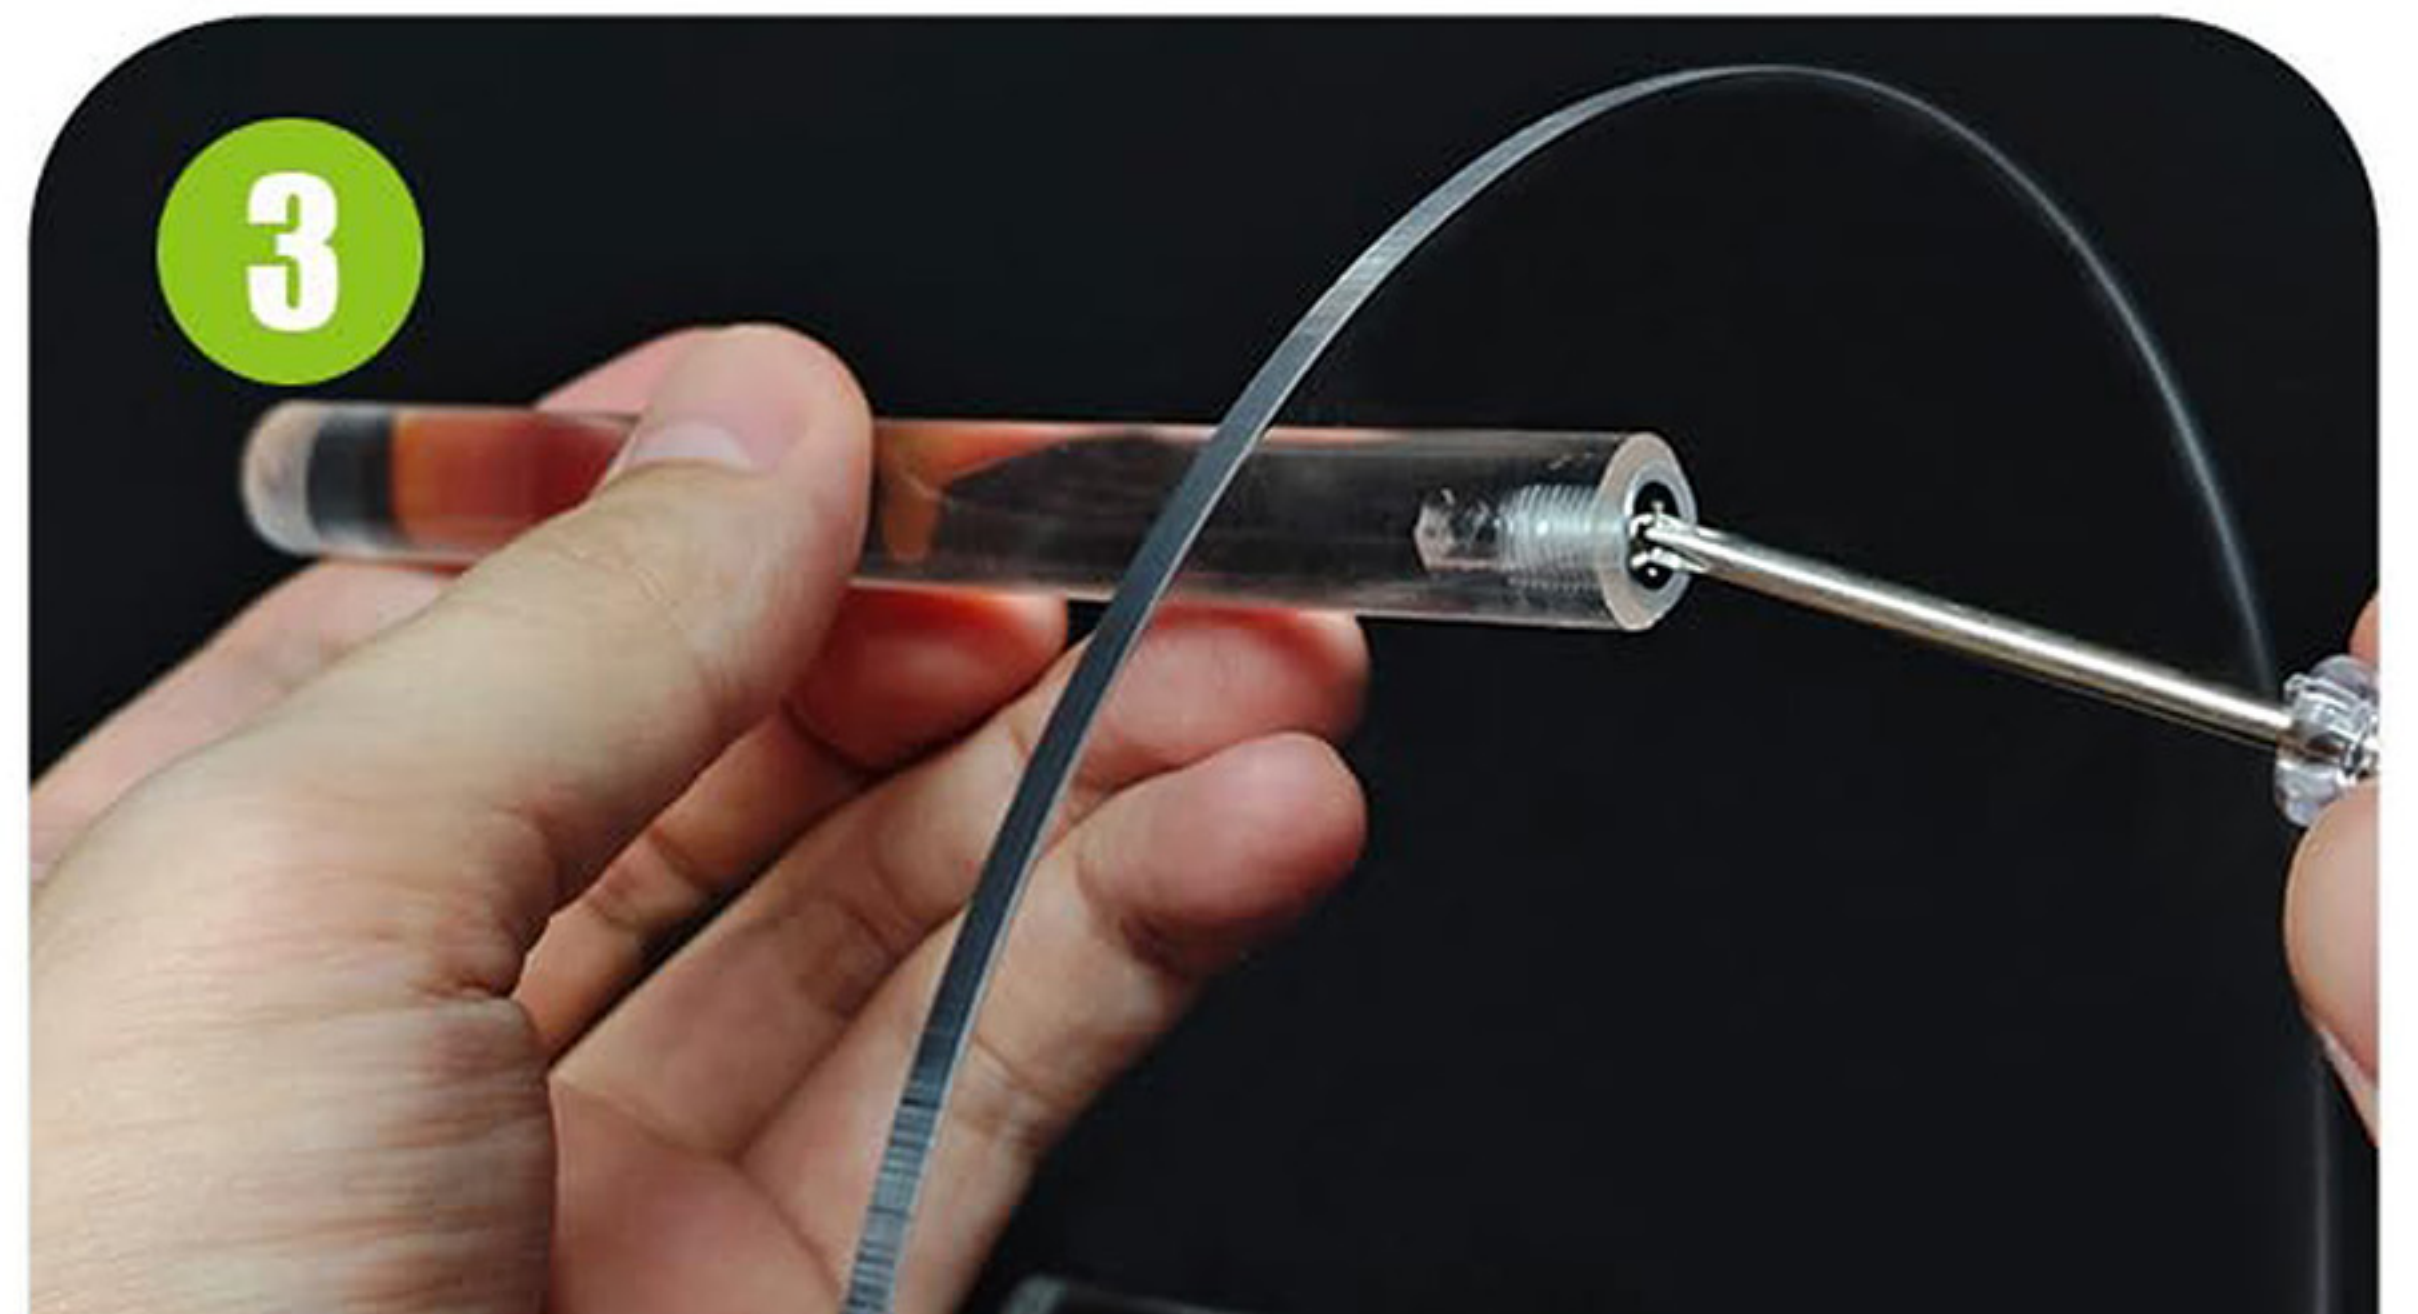

Package Includes: 1*Acrylic Board
3 Feet, 4*Screws, 1*Screwdriver

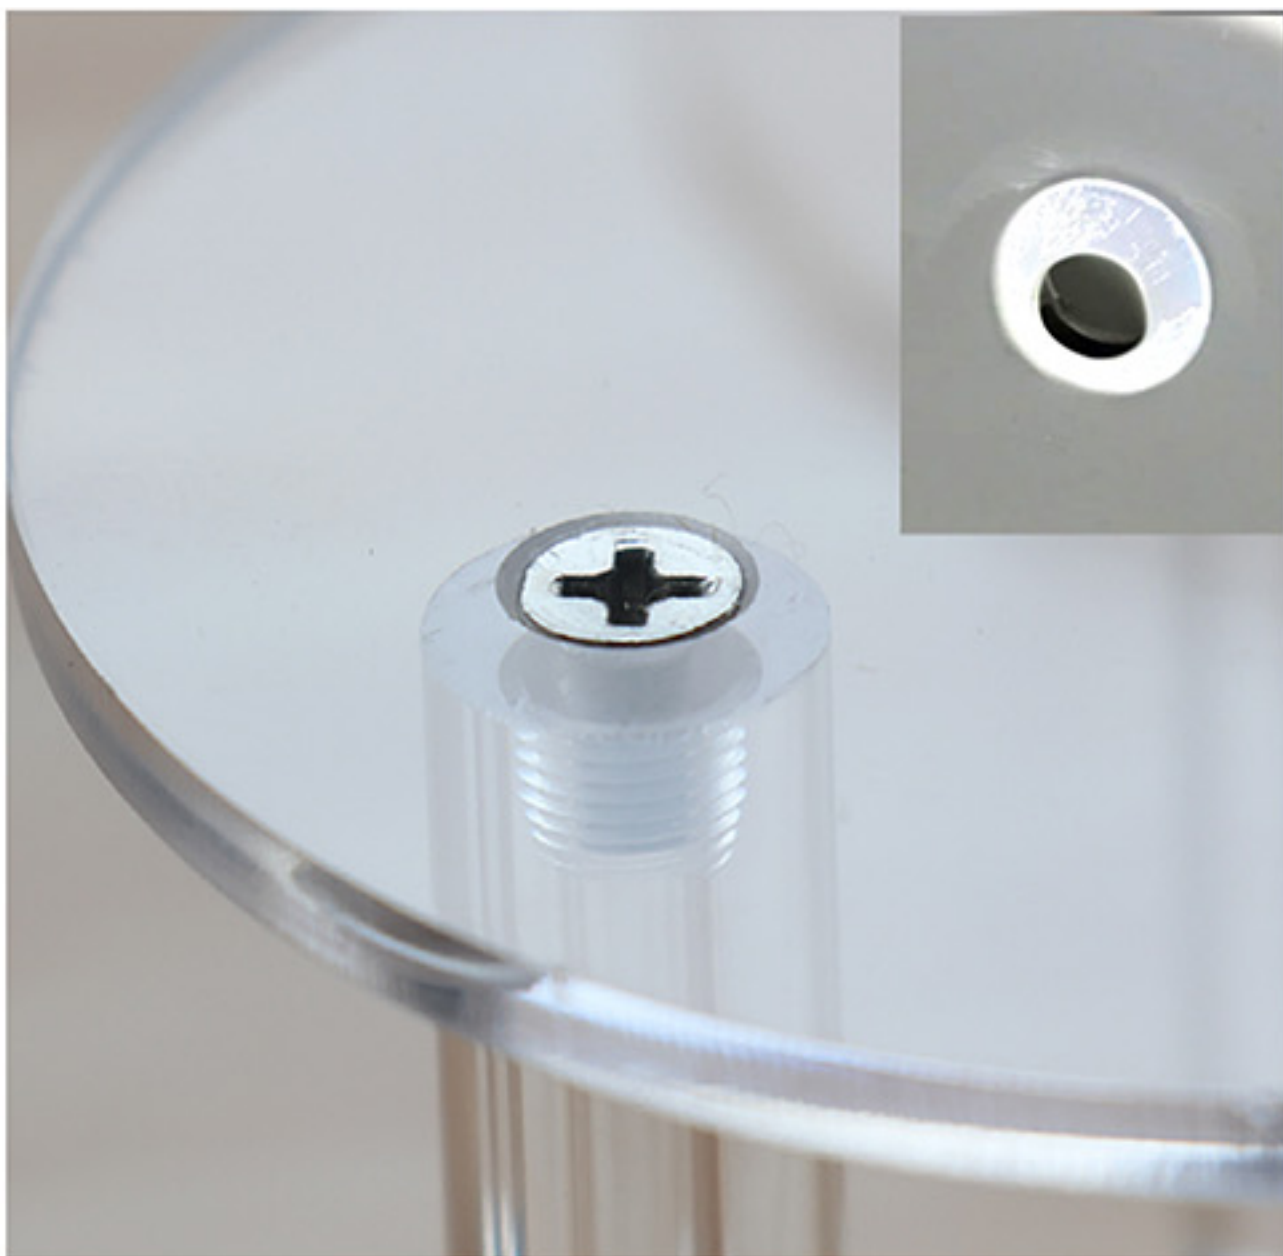

Peel off the protective film on both
sides of the acrylic sheet

In just a few simple steps, you'll have
a durable, stylish drink dispenser stand

Use the included screwdriver to
screw on the acrylic plate and legs

Note: Screw slot opening faces the front(as shown). Proper installation results in a smooth surface; incorrect installation may cause shelf instability.

Installation Notes

1. Confirm front/back before installation. Note: The wider end of the screw slot is the front.
2. After tightening with a screwdriver, twist each stand leg clockwise to secure the drink rack further.
3. Max weight capacity: 22lb. Recommended: 20lb or less for stability.
4. For any issues, contact brand customer service. 12-hour response guaranteed.
